

Technical drawing of a mechanical part showing three views: a front view, a top view, and a side view.

Front View (Top): Shows a cross-section of the part. The top flange has a height of .400. The central hole has a diameter of .150. The bottom flange has a height of .300. The transition between the flanges is a fillet with a radius of R.063 (+.010/-0.000). The bottom flange has a fillet with a radius of R.3625. A section line A-A is indicated.

Top View (Bottom Left): Shows the top of the part. The outer diameter is $\phi .500$. The central hole is a square with a side length of .188.

Side View (Bottom Right): Shows the side of the part. The total width is .800. The height of the central feature is .188.
